

## MEMBER<sup>2</sup>MEMBER BENEFIT PROGRAM

We are excited to offer our **Chamber Exclusive** program - **Member<sup>2</sup> Member Benefit**.

This incentive program is available to all members of the Salmon Arm Chamber of Commerce and is another locally-created opportunity for our members to market themselves and generate cross-commerce within our community.

As a member in good standing, you can purchase products and services at rates that are **only available to Chamber members**. In addition, you are invited to become a partner business in this program and create a unique offer for your fellow Chamber members.

If you are interested in participating in this program, the following will assist in creating a unique offer for members of our Chamber:

### Member<sup>2</sup> Member Criteria

1. Participating member must be in good standing with the Chamber.
2. Provide a unique benefit or incentive to our Chamber members.
3. If there is a royalty component with this benefit please outline the terms and submit them along with your written application.
4. Participating members must agree to offer this discount and/or benefit for the duration of the current membership year. Upon mutual agreement, your offer will renew when you pay your next membership invoice.
5. If, due to unforeseen circumstances, you must discontinue or revise your offer, please notify the Chamber office in writing.
6. The offer cannot be in conflict with the mission and values of our organization.

We invite all our members to participate in this program. We agree to market your product or service to our fullest ability in the following ways:

1. Promote your offering through social media using various social media platforms.
2. Display your company logo with a direct link to your website and details of the offering along with your contact information on the dedicated **Member<sup>2</sup> Member Benefit** page on our website.
3. Continue to refer our members and recommend your business whenever possible.

***Remember this program is an exclusive and unique offering for Chamber members only.***

In compliance with the Freedom of Information and Protection of Privacy Act, we will not provide membership listings or personal information.

If you have any questions regarding this member benefit or how it will benefit your business, please [contact us](#) or call 250-832-6247.
