Salmon Arm Economic Development Society

Attention: Lana Fitt – Executive Director of Operations

Dear Lana:

Re: Phase 2 Expansion of Zest Commercial Food Hub

On behalf of the Salmon Arm Chamber of Commerce and Salmon Arm Visitor Centre, I am pleased to offer this letter of support for the Salmon Arm Economic Development's application for funding through the Provinces Rural Economic Diversification and Infrastructure Program (REDIP).

The Zest Commercial Food Hub has allowed entrepreneurs to successfully start-up their businesses and continue to grow the food and beverage industry and has allowed non-profits to support the Shuswap community

Please contact me for information on our support for this important initiative. I can be contacted at 250.832.6247 or email me at admin@sachamber.bc.ca .

Yours truly,

Shelley Desautels
Executive Director,
Salmon Arm & District Chamber of Commerce
